**ANNOUNCEMENT OF ENTRY INTO CASINO CONCESSION AGREEMENT WITH  
MISR HOTELS COMPANY FOR CASINO OPERATION**

The Board of Directors of Genting Singapore Plc (the "Company") is pleased to announce that Genting Casinos Limited, an indirect wholly-owned subsidiary of Genting UK plc which is an indirect wholly-owned subsidiary of the Company, has been selected as the new operator of the casino at The Nile Ritz Carlton Hotel, Cairo.

The Nile Hotel is owned by Misr Hotels Company ("Misr Hotels"), a leading government-controlled hotel owner and operator in Egypt. Misr Hotels will shortly be undertaking a major refurbishment of this renowned Cairo hotel on the banks of the Nile and in the heart of the Egyptian Capital. The Hotel is considered one of the iconic hotels in Cairo that has contributed to the Egyptian travel industry for the past 50 years since it first opened in 1958. It will be re-opened as The Nile Ritz Carlton Hotel, Cairo following the extensive renovation and refurbishment plan which is expected to be completed in early 2012.

Genting UK plc has been awarded the casino concession for the hotel for an initial period of 10 years and plans to open the leading new operation under the brand "Crockfords on the Nile". This step is being taken as part of the Group's strategy to expand its casino resort network and to strengthen and develop Genting UK's leading position in the premium market through its key high-end London casino clubs, Crockfords, Colony and Maxims.

The Casino Concession Agreement is not expected to have any material impact on the Company's consolidated earnings and net tangible assets per share in the current financial year.

None of the Directors or controlling shareholders or substantial shareholders of the Company has any interest, direct or indirect, in the above transaction.
