Practice 1.3

The positions of Chairman and CEO are held by different individuals.

Application	:	Departure
Explanation on application of the practice	:	N/A
Explanation for departure	:	<p>The Board is mindful of the dual role of Chairman and Chief Executive held by Tan Sri Lim Kok Thay and is of the view that there are sufficient experienced and independent-minded Directors on the Board to provide sufficient checks and balances. Given that there are five experienced Independent Directors representing more than 50% of the Board, the Board collectively would be able to function independently of management. This allows for effective oversight of the management as well as to support objective and independent deliberation, review and decision making.</p> <p>Having joined the Board in 1976, Tan Sri Lim Kok Thay has considerable experience in the Group's businesses and provides leadership for the Board in considering and setting the overall strategies and objectives of the Company.</p> <p>The Board is of the view that it is in the interest of the Company to maintain the above arrangement so that the Board could have the benefit of a chairman who is knowledgeable about the businesses of the Group, the territories globally in which the Group operates in, sets the overall strategies, conceptualises plans and leads the execution of all major development projects and investments, capable of guiding discussions at Board meetings and who is able to brief the Board in a timely manner on key issues and developments that may directly or indirectly affect any of the businesses of the Group. In addition to his role and duties as the Chairman and Chief Executive of the Company, he is also the Deputy Chairman and Chief Executive of Genting Malaysia Berhad, Executive Chairman of Genting Singapore Limited and the Deputy Chairman and Executive Director of Genting Plantations Berhad.</p> <p>The Chairman commenced employment with the Company in August 1975 at the age of 24. He has held various positions during his tenure of over 40 years in the Company. He was appointed as the President and Chief Executive of the Company on 27 November</p>

	<p>2002 before he assumed the position of Chairman of the Company and thereafter redesignated as Chairman, President and Chief Executive of the Company on 1 January 2004 upon the retirement of his late father, the founder, Tan Sri Lim Goh Tong. Subsequently, he was redesignated as the Chairman and Chief Executive of the Company on 1 July 2007. The Chairman is a beneficiary of discretionary trusts and is deemed interested in the ordinary shares representing approximately 43% voting interest in the Company, details as disclosed under the Register of Substantial Shareholders in the Annual Report 2020.</p>	
<p><i>Large companies are required to complete the columns below. Non-large companies are encouraged to complete the columns below.</i></p>		
Measure	:	<p>In the annual board assessment conducted, the role of the Chairman was also assessed in terms of his ability to lead the board effectively, encourage contribution and participation from all members, effectiveness in chairing the general meeting and able to answer queries satisfactorily.</p> <p>The strong score rating awarded by the Directors in connection with the annual assessment of the Chairman’s role provided the necessary measure and justification that Tan Sri Lim Kok Thay understands the two separate roles and is able to distinctly carry out such roles and responsibilities required of him in achieving the intended outcome of ensuring that the Company is headed by a Board, which assumes responsibility for the Company’s leadership and is collectively responsible for meeting the objectives and goals of the Company.</p> <p>The Independent Non-Executive Directors, who form the majority of Board members, provide checks and balances and play a role to ensure a clear separation between the policy-making process and day-to-day management of the Group’s businesses.</p> <p>From time to time, the Board takes measures to evaluate the appropriateness of the dual roles of the Chairman and Chief Executive being performed by the same individual and ensures that this arrangement continues to be in the interests of the Company and its shareholders as a whole.</p>

The tenure of an independent director does not exceed a cumulative term limit of nine years. Upon completion of the nine years, an independent director may continue to serve on the board as a non-independent director.

If the board intends to retain an independent director beyond nine years, it should justify and seek annual shareholders' approval. If the board continues to retain the independent director after the twelfth year, the board should seek annual shareholders' approval through a two-tier voting process.

Application	:	Departure
Explanation on application of the practice	:	N/A
Explanation for departure	:	<p>The Board noted that the tenure of an independent director should not exceed a cumulative term of nine years. The Board is of the view that the ability of long serving independent directors to remain independent and to discharge their duties with integrity and competency should not be measured solely by tenure of service. Their long service should not affect their independence as they are independent-minded and they continue to provide the necessary checks and balances in the best interest of the Company. The Independent Directors have each provided an undertaking to Bursa Securities since their appointment confirming and declaring that they are "independent directors" as defined under paragraph 1.01 of the MMLR of Bursa Securities. The Board agreed that ultimately the Independent Directors themselves are the best persons to determine whether they can continue to bring independent and objective judgement to Board deliberations.</p> <p>In relation to the criteria to assess independence of directors, the Board had adopted the same criteria used in the definition of "independent directors" prescribed by the MMLR.</p> <p>Accordingly, Dato' Dr. R. Thillainathan who has been an Independent Non-Executive Director of the Company since 30 July 2009, will continue to be the Independent Director of the Company, notwithstanding having served as an Independent Director on the Board for more than nine years. Dato' Dr. R. Thillainathan is a distinguished and well known figure in his field of expertise and being conversant with the Group's businesses, he brings valuable insights</p>

	<p>and contributions to the Board.</p> <p>For the financial year ended 31 December 2020, each of the Independent Non-Executive Directors had provided their annual confirmations of independence to the Board based on the Company's criteria of assessing independence in line with the definition of "independent directors" prescribed by the MMLR. The Board had assessed and concluded that the five Independent Non-Executive Directors of the Company, namely Tan Sri Foong Cheng Yuen, Dato' Dr. R. Thillainathan, Madam Koid Swee Lian, Datuk Manharlal A/L Ratilal and Mr Eric Ooi Lip Aun continue to demonstrate conduct and behaviour that are essential indicators of independence, and that each of them is independent of the Company's management and free from any business or other relationship which could interfere with the exercise of independent judgement or the ability to act in the best interest of the Company.</p>

<p>Measure</p>	<p>:</p> <p>Each Independent Director has undertaken to notify the Board of any changes in their circumstances or of any new interest or relationship that would affect their independence as an independent director of the Company. The Board will promptly consider that new information in reassessing the Director's independence in the interests of the Company and its shareholders as a whole.</p> <p>In addition to the annual confirmation mentioned above from the Independent Non-Executive Directors, all the Directors are required to confirm on an annual basis if they have any family relationship with any other Director and/or major shareholders of the Company, if there are any conflict of interests with the Company and if they have been convicted of any offence within the past five years other than traffic offences, and any public sanction or penalty imposed by the relevant regulatory bodies during the financial year. This information, together with the annual evaluation and assessment of each Director during the financial year, form the basis and justification for recommending whether the retiring Director should be nominated for re-election at the Annual General Meeting.</p> <p>The Independent Non-Executive Director serving more than nine years is a person with high caliber and his vast knowledge and experience contribute positively to the growth of the Group.</p> <p>If the Board, including the Independent Non-Executive Director serving more than nine years, is able to continuously give their best efforts by using their expertise and skills to contribute positively towards the stewardship of the Company to attain greater heights, he should</p>
