STATEMENT IN RELATION TO THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

1. INTRODUCTION

At the Company's Fifty-Seventh AGM held on 12 June 2025, GENT's Board had obtained your approval for the renewal of the authority for GENT to purchase its own shares of an amount, which, when aggregated with the existing treasury shares, does not exceed 4% of its prevailing total number of issued shares at any time.

Such authority will expire at the conclusion of GENT's forthcoming AGM.

As such, GENT had on 15 April 2026 announced its intention to seek your approval for the Proposed Share Buy-Back Renewal.

Part A of this Circular provides you with the details of the Proposed Share Buy-Back Renewal and sets out the Board's recommendation thereon. GENT will be seeking your approval for the ordinary resolution pertaining to the Proposed Share Buy-Back Renewal to be tabled at its forthcoming AGM.

The Notice of 58th AGM, Form of Proxy, Administrative Guide and other relevant AGM documents are available on GENT's website at <https://www.genting.com/agm/>.

2. DETAILS OF THE PROPOSED SHARE BUY-BACK RENEWAL

2.1 GENT is proposing to seek your approval for the renewal of the authority for GENT to purchase its own shares of an amount, which, when aggregated with existing treasury shares, does not exceed 4% of its prevailing total number of issued shares at any time within the time period stated in Section 2.2 below. Such purchase is subject to compliance with Section 127 of the Act and any prevailing laws, rules, regulations, orders, guidelines and requirements issued by the relevant authorities at the time of the purchase.

2.2 The authority from you, if renewed, shall be effective upon the passing of the ordinary resolution for the Proposed Share Buy-Back Renewal at GENT's forthcoming AGM until:

- (i) the conclusion of the next AGM; or
- (ii) the expiry of the period within which the next AGM is required by law to be held; or
- (iii) the authority is revoked or varied by ordinary resolution passed by the shareholders of GENT in general meeting,

whichever occurs first.

2.3 For illustrative purposes, based on GENT's total number of issued shares and the number of treasury shares held as at the LPD of 3,876,896,099 GENT Shares and 26,320,000 GENT Shares respectively, the maximum number of GENT Shares that can be purchased pursuant to the Proposed Share Buy-Back Renewal is 128,755,843 GENT Shares.

2.4 As at the LPD, GENT's public security holding spread was approximately 54.79%. For illustrative purposes, assuming that the purchase by GENT of its own shares is carried out in full based on its total number of issued shares as at the LPD, and the shares are purchased from public shareholders, GENT's proforma public security holding spread will be approximately 53.22%.

2.5 The Proposed Share Buy-Back Renewal will allow GENT's Board to exercise its power to purchase GENT Shares at any time within the time period stated in Section 2.2 above, using GENT's internally generated funds and/or external borrowings.

The actual number of GENT Shares that may be purchased will depend on the availability of funds, relevant cost factors, and market conditions and sentiments.

Notwithstanding the above, the maximum amount of funds to be allocated for the purchase of GENT Shares under the Proposed Share Buy-Back Renewal will be subject to the amount of GENT's retained earnings. Based on GENT's latest audited financial statements as at 31 December 2025, the retained earnings was RM10,740.2 million at the Company level.

In the event GENT purchases its own shares using external borrowings, GENT's Board will ensure that there are sufficient funds to repay the external borrowings and that the repayment will not have any material effect on the cashflow of GENT.

2.6 In accordance with Section 127 of the Act, GENT's Board may, at its discretion, deal with the purchased GENT Shares in the following manner:

- (i) cancel the GENT Shares so purchased; or
- (ii) retain the GENT Shares so purchased as treasury shares which may be distributed as share dividends to the shareholders of GENT and/or be resold on Bursa Securities in accordance with the relevant rules of Bursa Securities and/or be transferred for the purposes of an employees' share scheme and/or be transferred as purchase consideration and/or be cancelled subsequently and/or be sold, transferred or otherwise be used for such purposes as the Minister may by order prescribe; or
- (iii) combination of items (i) and (ii) above,

or in any other manner as may be prescribed by all applicable laws and/or regulations and guidelines applied from time to time by Bursa Securities and/or any other relevant authority for the time being in force and that the authority to deal with the purchased GENT Shares shall continue to be valid until all the purchased GENT Shares have been dealt with by the Directors of GENT.

In the event GENT ceases to hold all or part of the purchased GENT Shares as a result of the above, GENT may further purchase such additional number of GENT Shares provided that the total purchased GENT Shares (including GENT Shares held as treasury shares then) does not exceed 4% of its total number of issued shares at the time of such purchase.

While the purchased GENT Shares are held as treasury shares, the rights attached to them as to attending meetings, voting, receiving dividends and participation in other distributions whether cash or otherwise shall not be conferred to the holder of such treasury shares and the treasury shares shall not be taken into account in calculating the number or percentage of shares or of a class of shares in GENT for any purposes including without limiting the generality of the provisions in the Act or any law or requirements of the Constitution of GENT or the Listing Requirements on substantial shareholdings, take-overs, notices, the requisitioning of meetings, the quorum for a meeting and the result of a vote on a resolution at a meeting.

2.7 According to the Listing Requirements of Bursa Securities:

- (i) GENT may only purchase its own shares on Bursa Securities at a price which is not more than 15% above the VWAP of GENT Shares for the 5 Market Days immediately before the date of the purchase; and
- (ii) GENT may only resell the treasury shares on Bursa Securities or transfer the treasury shares pursuant to Section 127(7) of the Act, at a price which is:
 - (a) not less than the VWAP of GENT Shares for the 5 Market Days immediately before the date of the resale or transfer; or
 - (b) not more than 5% discount to the VWAP of GENT Shares for the 5 Market Days immediately before the resale or transfer, provided that:
 - the resale or transfer takes place not earlier than 30 days from the date of purchase; and
 - the resale or transfer price is not less than the cost of purchase of the GENT Shares being resold or transferred.

GENT did not purchase any GENT Shares during the financial year ended 31 December 2025 and up to the LPD. As at the LPD, the Company holds 26,320,000 GENT Shares which were retained as treasury shares and none of the purchased treasury shares were resold, cancelled or transferred in the preceding 12 months.

3. RATIONALE FOR THE PROPOSED SHARE BUY-BACK RENEWAL

The Proposed Share Buy-Back Renewal, if implemented, will provide the Group with an additional option to utilise its financial resources more efficiently by purchasing GENT Shares from the open market to help stabilise the supply and demand of GENT Shares traded on the Main Market of Bursa Securities and thereby support its fundamental value.

4. POTENTIAL ADVANTAGES AND DISADVANTAGES OF THE PROPOSED SHARE BUY-BACK RENEWAL

4.1 The Proposed Share Buy-Back Renewal, if implemented, may help stabilise the supply and demand of GENT Shares traded on the Main Market of Bursa Securities and thereby support its fundamental value.

GENT's Board may also choose to retain the GENT Shares purchased as treasury shares and subsequently apply them in the manner as set out in Section 2.6(ii) or cancel them or a combination of both options, subject to all applicable laws and/or regulations and guidelines issued from time to time by Bursa Securities and/or any other relevant authority.

If the shares so purchased are resold at prices higher than the purchase prices without affecting the total number of issued shares of GENT, GENT may have the opportunity to realise potential capital gains and such proceeds may be subsequently used for investment opportunities arising in the future or as working capital and/or to distribute such proceeds as dividends to shareholders of GENT.

- 4.2 The Proposed Share Buy-Back Renewal, if implemented, will reduce the amount of financial resources available for distribution to shareholders and may result in the Group having to forego other investment opportunities that may emerge in the future, or deprive the Group of interest income that can be derived from the funds utilised for any purchase of GENT Shares. However, such decrease in GENT's financial resources may be temporary since the GENT Shares purchased which are retained as treasury shares may be subsequently resold.

In addition, the Group's cash flow will be affected, as any purchase of GENT Shares will reduce the Group's cash flow depending on the actual number of GENT Shares purchased and the purchase prices.

- 4.3 GENT's Board does not expect the Proposed Share Buy-Back Renewal to have any material disadvantage to GENT and its shareholders as it will be implemented only after due consideration of the financial resources of the Group and of the resultant impact on GENT and its shareholders. GENT's Board, in exercising any decision to purchase any GENT Share, will be mindful of GENT's and its shareholders' interests.

5. EFFECTS OF THE PROPOSED SHARE BUY-BACK RENEWAL

5.1 Voting shares

The maximum number of GENT Shares that may be purchased pursuant to the Proposed Share Buy-Back Renewal and the effects of such purchase on the number of voting shares in GENT (illustrated on a proforma basis as at the LPD) are as follows:

	No. of GENT Shares
Total number of issued shares as at the LPD	3,876,896,099

Maximum number of GENT Shares that may be purchased pursuant to the Proposed Share Buy-Back Renewal	128,755,843
Voting shares	<u>3,721,820,256</u>

5.2 Substantial shareholders' and Directors' shareholdings

5.2.1 Substantial shareholders

Assuming the purchase by GENT of its own shares pursuant to the Proposed Share Buy-Back Renewal is carried out in full, the effects of such purchase on the shareholdings of the substantial shareholders of GENT (based on GENT's Register of Substantial Shareholders as at the LPD) are as follows:

Substantial shareholder	-----As at the LPD-----				-----After share buy-back-----

Parkview as trustee of the discretionary trust owns 100% of the voting shares of KHI which in turn owns 100% of the voting shares in KHR. As such, Parkview as trustee of the discretionary trust is deemed interested in the ordinary shares of GENT held by KHI and KHR by virtue of its controlling interest in KHI and KHR.

5.2.2 Directors

Assuming the purchase by GENT of its own shares pursuant to the Proposed Share Buy-Back Renewal is carried out in full, the effects of such purchase on the shareholdings of the Directors of GENT (based on GENT's Register of Directors' Shareholdings as at the LPD) are as follows:

5.3 EPS

The effects of the purchase by GENT of its own shares pursuant to the Proposed Share Buy-Back Renewal on the consolidated earnings of GENT will depend on the purchase price paid for the GENT Shares purchased, the effective funding cost to the Group to finance such purchases and/or any loss in interest income to the Group, whilst the purchase of GENT Shares will result in a lower number of shares being taken into account for purposes of EPS computation.

5.4 Net assets per share

If the GENT Shares purchased are retained as treasury shares, the consolidated net assets of GENT would decrease by the purchase cost of the treasury shares because the treasury shares are required to be carried

at cost and be deducted from equity. If the treasury shares are subsequently cancelled or distributed as share dividends, there will be no additional effect on the consolidated net assets of GENT.

The purchase of GENT Shares that are retained as treasury shares and/or cancelled and/or distributed as share dividends will reduce the consolidated net assets per share of GENT if the purchase price of such shares exceeds the consolidated net assets per share of GENT, and vice versa.

If the treasury shares are resold on Bursa Securities, it will increase the consolidated net assets per share of GENT if GENT realises a capital gain from such resale, and vice versa.

5.5 Working capital

The implementation of the Proposed Share Buy-Back Renewal will reduce the Group's working capital, the quantum of which would depend on, amongst others, the number of GENT Shares purchased and the purchase prices of the GENT Shares.

However, the resale of GENT Shares purchased which are retained as treasury shares will increase the Group's working capital. The quantum of the increase in the Group's working capital will depend on the actual selling price of the treasury shares and the number of treasury shares resold on Bursa Securities.

5.6 Dividends

The Proposed Share Buy-Back Renewal is not expected to have any material impact on the ability of GENT's Board to recommend future dividends. However, GENT's Board will have the option of distributing the treasury shares as share dividends to the shareholders of GENT.

6. HISTORICAL SHARE PRICES

The monthly highest and lowest prices of GENT Shares traded on Bursa Securities for the past 12 months from April 2025 to March 2026 are as follows:

	High RM	Low RM
2025		
April	3.32	2.99
May	3.31	3.00
June	3.18	2.95
July	3.23	3.03
August	3.19	2.80
September	3.10	2.76
October	3.59	2.82
November	3.56	3.23
December	3.49	2.96
2026		
January	3.05	2.85
February	3.02	2.81
March	2.81	2.20

(Source : Bloomberg)

The last transacted price of GENT Shares on 31 March 2026 was RM2.23.

7. IMPLICATION OF THE CODE

As at the LPD, KHR holds approximately 43.82% of the voting shares in GENT. The future purchase by GENT of its own shares pursuant to the Proposed Share Buy-Back Renewal will not cause the voting interest of KHR in GENT to increase by more than 2% in any 6-month period. Hence the future purchase by GENT of its own shares under the Proposed Share Buy-Back Renewal alone, will not have any implication on KHR with regards to the Code.

8. APPROVAL REQUIRED

The Proposed Share Buy-Back Renewal is subject to your approval at GENT's forthcoming AGM.

9. INTERESTS OF DIRECTORS, MAJOR SHAREHOLDERS AND PERSONS CONNECTED

Save for the proportionate increase in the percentage shareholdings and/or voting rights of the shareholders of GENT as a consequence of the implementation of the Proposed Share Buy-Back Renewal, none of the major shareholders and Directors of GENT and/or persons connected to them has any interest, direct or indirect, in the Proposed Share Buy-Back Renewal or resale of treasury shares, if any, in the future.

10. DIRECTORS' RECOMMENDATION

GENT's Board, having considered all aspects of the Proposed Share Buy-Back Renewal, is of the opinion that the Proposed Share Buy-Back Renewal is in the best interest of GENT, and accordingly recommends that you vote in favour of the resolution pertaining to the Proposed Share Buy-Back Renewal to be tabled at GENT's forthcoming AGM.

11. RESOLUTION ON THE PROPOSED SHARE BUY-BACK RENEWAL AND AGM

The ordinary resolution on the Proposed Share Buy-Back Renewal will be tabled at GENT's forthcoming AGM, which will be held at 26th Floor, Wisma Genting, Jalan Sultan Ismail, 50250 Kuala Lumpur, Malaysia on Thursday, 11 June 2026 at 10.00 a.m. or at any adjournment thereof. Proposed Renewal of Shareholders' Mandate for Recurrent Related Party Transactions of a Revenue or Trading Nature

1. INTRODUCTION

At the Company's 57th AGM held on 12 June 2025, the Company had obtained a shareholders' mandate for Recurrent Related Party Transactions of a revenue or trading nature ("Existing Mandate") which are necessary for the day to day operations of the GENT Group, with certain classes of related parties. The Existing Mandate, shall in accordance with the Listing Requirements, expire at the conclusion of the forthcoming AGM of the Company, scheduled for 11 June 2026, unless it is renewed at the said AGM.

On 15 April 2026, GENT announced its intention to seek your approval for the renewal of the shareholders' mandate for Recurrent Related Party Transactions.

Part B of this Circular provides you with the details of the Proposed Shareholders' Mandate and sets out the Board's recommendation relating thereto. GENT will be seeking your approval for the ordinary resolution in relation to the Proposed Shareholders' Mandate to be tabled at the forthcoming AGM.

The Notice of 58th AGM, Form of Proxy, Administrative Guide and other relevant AGM documents are available on GENT's website at <https://www.genting.com/agma/>.

2. DETAILS OF THE PROPOSED SHAREHOLDERS' MANDATE

2.1 Provisions under the Listing Requirements

Paragraph 10.09(2) of the Listing Requirements provides that with regard to related party transactions involving recurrent transactions of a revenue or trading nature which are necessary for the day-to-day operations of a listed issuer or its subsidiaries, the listed issuer may seek a shareholders' mandate in respect of such transactions subject to the following:

- the transactions are in the ordinary course of business and are on terms not more favourable to the related party than those generally available to the public;
- the shareholders' mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted pursuant to the shareholders' mandate during the financial year where the aggregate value is equal to or more than the threshold prescribed under paragraph 10.09(1) of the Listing Requirements;
- the listed issuer's circular to shareholders for the shareholders' mandate, includes the information as may be prescribed by Bursa Securities. The draft circular must be submitted to Bursa Securities together with a checklist showing compliance with such information;
- in the meeting to obtain shareholders' mandate, the interested director, interested major shareholder or interested person connected with a director or major shareholder, and where it involves the interest of an interested person connected with a director or major shareholder, such director or major shareholder, must not vote on the resolution approving the transactions. An interested director or interested major shareholder must ensure that persons connected with him abstain from voting on the resolution approving the transactions; and
- the listed issuer immediately announces to Bursa Securities when the actual value of a Recurrent Related Party Transaction entered into by the listed issuer, exceeds the estimated value of the Recurrent Related Party Transaction disclosed in Section 2.3 of Part B of this Circular by 10% or more and must include the information as may be prescribed by Bursa Securities in its announcement.

Where a listed issuer has procured shareholders' mandate pursuant to the above, the provisions of Paragraph 10.08 of the Listing Requirements shall not apply with regard to transactions as detailed in Section 2.3 of Part B of this Circular.

Accordingly, the Company proposes to seek the approval for the Proposed Shareholders' Mandate from its shareholders for the GENT Group to enter into Recurrent Related Party Transactions in which certain directors, major shareholders and/or persons connected with them have an interest, details of which are contained in Sections 2.2 and 2.3 below.

The Proposed Shareholders' Mandate will take effect for the duration as set out in Section 2.6 of Part B of this Circular.

2.2 Class of Related Parties

Shareholders' approval is sought for the Proposed Shareholders' Mandate involving Recurrent Related Party Transactions which are carried out by companies within the GENT Group with the following related parties:

- TSLKT, DILKH and persons connected with them, namely:
 - (i) RWI. TSLKT is a director and the sole member of KHRV Limited ("KHRV"). KHRV holds 50% equity interest in RWI. DILKH is a director and the President of RWI;
 - (ii) Zouk IP Pte Ltd ("Zouk IP") and Zouk Consulting Pte Ltd ("Zouk Consulting") (collectively "Zouk Group"). Zouk IP is a wholly owned subsidiary of Zouk Consulting, which in turn is 96% owned by Tulipa Limited ("Tulipa"). Tulipa is wholly owned by DILKH. Both TSLKT and DILKH are directors of Tulipa. DILKH is also the Chairman and a director of Zouk Consulting; and
 - (iii) HPOT Plus Las Vegas LLC ("HPOT"). HPOT is 70% owned by HL Plus Partners LLC, a company which is 50% owned by Two Trees Food Ventures, Inc., which in turn is a company indirectly wholly owned by LKL.

TSLKT is the Executive Chairman of GENT whereas DILKH is the Deputy Chief Executive and Executive Director of GENT who has a direct interest of 0.03% in the shares of GENT. Both TSLKT and DILKH are substantial shareholders of GENT who each has a deemed interest of 45.07% in the shares of GENT by virtue of them being beneficiaries of a discretionary trust of which Parkview is the trustee. Parkview as trustee of the discretionary trust owns 100% of the voting shares of KHI which in turn owns 100% of the voting shares in KHR. As such, Parkview as trustee of the discretionary trust is deemed interested in the ordinary shares of GENT held by KHI (1.25%) and KHR (43.82%) by virtue of its controlling interest in KHI and KHR.

TSLKT and DILKH are also directors of KHR, KHI and Parkview and also shareholders of Parkview.

2.3 Nature of Recurrent Related Party Transactions contemplated

GENT is principally an investment holding and management company. Its unlisted subsidiaries are involved in a diverse range of businesses including, inter-alia, development and operation of integrated resort, generation and supply of electric power, investments, life sciences and biotechnology research and development activities, oil and gas exploration, development and production activities as well as the provision of GENT Group Support Services. The GENT Group Support Services are provided to facilitate the alignment of GENT Group's policies and practices where applicable and to reduce operating cost and improve efficiency through economies of scale, better utilisation and allocation of resources, standardisation of processes and operating procedures.

Accordingly, the Board considers it beneficial for GENT Group to provide RWI Group with the GENT Group Support Services that they may require. The GENT Group Support Services are carried out at arm's length, on commercial terms and on terms not more favourable to the related parties than those generally available to/from the public and which will not be detrimental to the minority shareholders.

RWI is principally an investment holding company. Through its subsidiaries, RWI is involved in software research and development, providing technical, consulting and information technology services, programme management services, interactive and online software solutions and management services, licensing of intellectual property and related services, branding and sub-licensing and investment fund.

Zouk Group is a global lifestyle group with establishments that span the nightlife, entertainment and dining sectors. "Zouk" thrived as a nightlife brand, widely recognised for pushing the boundaries of dance music.

The Board believes the Zouk Group will create unmatched experiences in nightlife, entertainment and flavourful dining experiences on the Las Vegas Strip. Zouk Group is engaged by RWLVLLC for the licensing of certain intellectual property and the provision of management and consultancy services, for the development, operation and management of Zouk venues at Resorts World Las Vegas. The Zouk venues include Zouk Night Club, Ayu Day Club, FuHu Restaurant, RedTail Bar, Here Kitty Kitty and Famous Foods Street Eats, an Asian-themed street food vendor venue.

RWLVLLC has developed a world-class integrated destination resort. The resort includes a hotel and gaming space, as well as retail, dining, nightlife venues, entertainment options and convention space. RWLVLLC operates (among others) a modern Japanese bistro located in Resorts World Las Vegas under the "KUSA NORI" brand licensed by RWLVLLC from RWSPL.

RWSPL, is the founder, promoter and program manager of "Genting Rewards Alliance" ("GRA"), a global alliance of customer rewards program with alliance members comprising the operators of several Genting Group properties and Resorts World Cruises. GRA provides a global network in which multiple customer rewards programs including the domestic card issuers from different localities and countries could participate as part of the network in which redemption of loyalty or rewards points across-loyalty programs and across-borders can be carried out amongst the participants of GRA.

RWLVLLC is issuing Genting Rewards ("GR") branded cards to customers for its existing GR Program which is specific to Resorts World Las Vegas. As a GRA member, RWLVLLC will be able to earn additional revenue from the redemption of its products by customers of other GRA alliance members and participating in GRA programs will extend RWLVLLC's domestic loyalty program to other properties, which would be invaluable for the promotion and advertising of RWLVLLC's domestic loyalty program.

HPOT is leasing certain space in Resorts World Las Vegas to operate a first-class Mongolian-style hotpot restaurant under the brand name "Copper Sun Restaurant".

It is envisaged that in the normal course of business of the GENT Group, transactions in respect of the provision of goods and/or services by companies in the GENT Group to its related parties will occur with some degree of frequency from time to time and at any time.

The Proposed Shareholders' Mandate if renewed and granted covers the following Recurrent Related Party Transactions with TSLKT, DILKH and Persons Connected to them that may or will be entered into in the ordinary course of business, as set out below:

Note:

* The estimated aggregate values are based on the expected values of the transactions over the course of the period, the actual values of which may vary from the estimated aggregate values and are subject to changes.

None of the Actual Value of the Recurrent Related Party Transactions under the Existing Mandate has exceeded the Estimated Value by 10% or more.

Amount due and owing by related parties pursuant to the Recurrent Related Party Transactions

As at 31 December 2025, being the end of the financial year of GENT, there is no amount due and owing by the abovementioned related parties arising from the Recurrent Related Party Transactions which exceeded their respective credit terms.

2.4 Basis of estimate and disclosure requirements

The abovementioned estimated transaction value is based on estimated prevailing market rates, being rates that are not more favourable to the related parties than those generally available to/from the public and such transactions are or would be formalised in agreements to be entered into between the relevant members of the GENT Group with the relevant transacting parties.

The estimated transaction value is based on projected business volumes during the validity period of the Proposed Shareholders' Mandate. The actual value of transaction may however vary from the estimated value set out in Section 2.3 above in light of any changes in the economic environment.

Nevertheless, if the Proposed Shareholders' Mandate is approved, disclosure will be made in accordance with the Listing Requirements in the Annual Report of the Company for the financial year ending 31 December 2026 of the aggregate value of transactions conducted pursuant to the Proposed Shareholders' Mandate as approved.

Pursuant to Paragraph 10.09(2)(e) of the Listing Requirements and Paragraph 2.5 of Practice Note 12, the Company is required to immediately announce to Bursa Securities when the actual value of the Recurrent Related Party Transactions under the Proposed Shareholders' Mandate exceeds the estimated value disclosed in this Circular by 10% or more.

Paragraph 10.12 of the Listing Requirements however allows for aggregation of the values of all transactions involving the interest of the same related party for purposes of determining if the 10% threshold is exceeded.

2.5 Method or procedures on which transaction prices are determined/review procedures for Recurrent Related Party Transactions

To ensure that Recurrent Related Party Transactions which are in the ordinary course of business are conducted at arm's length and based on commercial terms consistent with GENT Group's usual business practices and policies and on terms not more favourable to the related parties than those generally available to the public and are not, in the Audit Committee's opinion, detrimental to the minority shareholders, the following principle will apply:

- The provision of services shall be determined based on prevailing rates/prices of the goods or services (including where applicable, preferential rates/prices/discounts accorded to a class or classes of customers or for bulk purchases) according to commercial terms, business practices and policies or otherwise in accordance with other applicable industry norms/considerations; and
- The rental of retail space and its related services shall be at prevailing market rates for the same or substantially similar properties and shall be on commercial terms.

At least two (2) other contemporaneous transactions with unrelated third parties for similar services and/or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to related parties are fair and reasonable and comparable to those offered to unrelated third parties for the same or substantially similar type of services and/or quantities.

In the event that quotation or comparatives pricing from unrelated third parties cannot be obtained, the Audit Committee, in its review of the Recurrent Related Party Transactions may, as it deems fit and whenever available, request for additional information pertaining to the transactions from independent sources or advisers to ensure the Recurrent Related Party Transactions are not detrimental to the GENT Group.

To monitor, track and identify Recurrent Related Party Transactions, the following review procedures and processes have been implemented:

- (i) A register is maintained to record Recurrent Related Party Transactions which are entered into pursuant to the Proposed Shareholders' Mandate;
- (ii) The Audit Committee will review Recurrent Related Party Transactions of the GENT Group and recommend to the Board for approval. The process will ensure that such transactions are undertaken at arm's length, on commercial terms which are not more favourable to the related parties than those generally available to the public, and are not, in the Audit Committee's opinion, detrimental to the minority shareholders and in the best interest of the GENT Group. In their review and approval of such transactions, the Audit Committee or the Board may, as they deem fit, request for additional information pertaining to the transactions from independent sources or

advisers. A summary of all Recurrent Related Party Transactions will be tabled every quarter to the Audit Committee and the Board for notation;

- (iii) The internal threshold approval of all Recurrent Related Party Transactions within the GENT Group are as follows:-
 - (a) All Recurrent Related Party Transactions with value equal to or more than RM1 million will be reviewed by the Audit Committee and recommended for approval of the Board; and
 - (b) All other Recurrent Related Party Transactions will require the approval of the Management.

The policies and procedures set out in Section 2.5 of Part B of this Circular are adopted by the Management where the Management has been delegated the authority by the Board to review and approve Recurrent Related Party Transactions as set out above, The Board and the Audit Committee shall have the overall responsibility for the determination of the review procedures and processes with authority to sub-delegate to officers within the GENT Group as they deem appropriate; and

- (iv) Periodic review of the existing procedures shall be carried out by the Audit Committee, as it deems necessary, to ascertain that they are in compliance with the Proposed Shareholders' Mandate.

The Audit Committee is satisfied that the GENT Group has in place adequate procedures and processes to monitor, track and identify Recurrent Related Party Transactions in a timely and orderly manner, and the review of these procedures and processes on an annual basis.

The Board and the Audit Committee have reviewed the terms of the Proposed Shareholders' Mandate and are satisfied that the stipulated procedures and processes for the Recurrent Related Party Transactions are sufficient to ensure that such transactions will be carried out at arm's length and based on commercial terms and on terms not more favourable to the related parties than those generally available to the public and are not detrimental to the minority shareholders. Any Audit Committee or Board member or member of Management who is interested in any transaction shall abstain from reviewing and/or approving such transactions.

2.6 Validity period of the Proposed Shareholders' Mandate

The Proposed Shareholders' Mandate, if approved at the forthcoming AGM on Thursday, 11 June 2026, shall take effect and continue to be in force until:

- (i) the conclusion of the next AGM of the Company following the forthcoming AGM on Thursday, 11 June 2026, at which time it will lapse, unless by a resolution passed at the next AGM, the authority is renewed;
- (ii) the expiration of the period within which the next AGM of the Company after that date is required to be held pursuant to Section 340(2) of the Act (but shall not extend to such extension as may be allowed pursuant to Section 340(4) of the Act); or
- (iii) revoked or varied by an ordinary resolution passed by the shareholders of the Company in a general meeting,

whichever is earlier.

The Proposed Shareholders' Mandate is subject to satisfactory review by the Audit Committee from time to time of its continued application to Recurrent Related Party Transactions.

2.7 Disclosure

Disclosure will be made in the Company's Annual Report of the breakdown of the aggregate value of transactions conducted, types of transactions made, names of the related parties involved and their relationship with the Company pursuant to the Proposed Shareholders' Mandate during the financial year in accordance with paragraph 10.09(2) and Practice Note 12 of the Listing Requirements.

3. RATIONALE FOR AND BENEFITS OF THE PROPOSED SHAREHOLDERS' MANDATE

The rationale for and the benefits of the Proposed Shareholders' Mandate to GENT Group are as follows:

- (i) The Proposed Shareholders' Mandate will facilitate transactions with the related parties in the ordinary course of business of the GENT Group, undertaken at arm's length and based on commercial terms and on terms not more favourable to the related parties than those generally available to/from the public and are not detrimental to the minority shareholders;

- (ii) The Proposed Shareholders' Mandate will enhance GENT Group's ability to pursue business opportunities which are time-sensitive in nature and will eliminate the need for the Company to convene separate general meetings to seek shareholders' approval for each transaction; and
- (iii) The Proposed Shareholders' Mandate will substantially reduce the expenses associated with convening of general meetings on an ad hoc basis, improve administrative efficiency considerably and allow resources to be channelled towards attaining other corporate objectives.

Generally, the provision of services between the related parties as set out in Section 2.3 of Part B of this Circular has the advantage of reliability in terms of the standard of service and support provided and in-depth sharing of product information and knowledge.

4. CONDITION OF THE PROPOSED SHAREHOLDERS' MANDATE

The Proposed Shareholders' Mandate is subject to the approval of the shareholders of GENT at the forthcoming AGM.

FURTHER INFORMATION

1. DIRECTORS' RESPONSIBILITY

GENT's Directors have seen and approved this Circular and they collectively and individually accept full responsibility for the accuracy of the information given and confirm that after making all reasonable enquiries and to the best of their knowledge and belief, there are no other facts, the omission of which would make any information provided herein misleading.

2. MATERIAL CONTRACTS

Save as disclosed below, GENT or its subsidiaries has not entered into any material contracts (being contracts not entered into in the ordinary course of business) during the 2 years immediately preceding the LPD:

- (i) On 20 June 2024, Genting Oil & Gas Sdn Bhd, an indirect wholly owned subsidiary of GENT and PT Layar Nusantara Gas, a 95% owned indirect subsidiary of GENT have entered into an Engineering, Procurement, Construction, Installation and Commissioning Contract with Wison New Energies Co., Ltd with a contract price of USD962.8 million (which would exceed USD1 billion including reimbursement costs of up to USD70 million) for a 1.2 MTPA Floating Liquefied Natural Gas Facility.
- (ii) Offer document dated 3 November 2025 in connection with the conditional voluntary take-over offer by the Company to acquire all the remaining ordinary shares in Genting Malaysia Berhad ("GENM") (excluding treasury shares) not already held by the Company ("Offer Share") for a cash offer price of RM2.35 per Offer Share.

3. MATERIAL LITIGATIONS, CLAIMS AND ARBITRATION

Save as disclosed below, as at the LPD, GENT or its subsidiaries are not engaged in any material litigation, claims and arbitration, either as plaintiff or defendant and the Directors have no knowledge of any proceedings pending or threatened against GENT or its subsidiaries or of any fact likely to give rise to any proceedings which might materially affect the financial position or business of GENT or its subsidiaries:

Genting Americas Inc. ("Defendant" or "GAI"), an indirect wholly-owned subsidiary of GENM which is an investment holding company incorporated in Delaware, USA ("US"), had been named in a complaint ("Complaint") filed by RAV Bahamas Ltd ("RAV") on 7 October 2024 (US Eastern date/time) before the United States District Court Southern District of Florida ("US Court") and served on GAI on 11 October 2024 (US Eastern date/time), which involves the operations of Resorts World Bimini ("RW Bimini") in Bahamas, for which RAV is seeking for damages in excess of USD600 million. RW Bimini is owned and operated by BB Entertainment Ltd ("BBEL"), in which GENM indirectly holds 78% interest whilst RAV holds the remaining 22% interest. GAI is a related company of BBEL.

On 22 November 2024 (US Eastern date/time), GAI filed a motion to dismiss the Complaint filed by RAV in the US Court. GAI sought dismissal of the Complaint on multiple grounds, including that this is a shareholder dispute and therefore should be dealt with pursuant to the Shareholders' Agreement between the shareholders of BBEL in a forum other than the US Court; the claims are time-barred; and the Complaint failed to adequately allege facts showing that the required elements for each claim had been met.

On 8 May 2025, the parties attended a mediation session with the selected mediator in an attempt to negotiate a mutually agreeable solution to the dispute pursuant to US Court Local Rule 16.2 [LR16.2(d)]. The parties were not able to reach a solution to the Complaint.

On 1 July 2025 (US Eastern date/time), the US Court granted GAI's motion to dismiss RAV's Complaint in its current form and gave RAV one last opportunity to amend its Complaint before the final decision on its dismissal of the lawsuit. The US Court's decision reinforced GAI's position that the Complaint is baseless and without merit.

RAV filed its amended complaint ("Amended Complaint") on 29 July 2025 and sought to bring its claims derivatively on behalf of BBEL as a nominal party. Further claims which relate to GAI's business conduct were raised; a tactic used to keep the case within the jurisdiction of the Federal Court. GAI categorically rejects all the claims in their entirety.

GAI had on 12 September 2025 (US Eastern date/time) filed a motion to dismiss the Amended Complaint filed by RAV on 29 July 2025. The Amended Complaint repeats the previous allegations and does not introduce any new material factual elements.

GAI maintains its position that RAV's allegations are baseless and without merit and will continue to strenuously defend against these claims.
